### WORK EXPERIENCE

1996 – 1999, I worked as a volunteer project coordinator and organizer in the environmental n.g.o. Banat-Ja “The Friends of the Mountains”;

1997 – 2004, I occasionally worked in industrial climbing (like window cleaning or fixing commercial panels on tall buildings);

2003, I worked (part time job) as **assistant-professor** (preparator) on **Educational Psychology** at “Vest” University of Timisoara.

2003 – 2005, I worked (part time job) **instructor for mountaineering activities** and **junior trainer on soft skills development** at LaTura Extrema ([www.latura.ro](http://www.latura.ro)).

2003 – 2008, I worked at “**Politehnica**” University of Timisoara as **coordinator of The Centre for Professional Information of Students** ([www.ciop.upt.ro](http://www.ciop.upt.ro)). (first 3 years full-time, last 2,5 part-time)

2006 – present, I’m working both as **trainer on soft skills development** using outdoor activities (mostly mountain sports) and as **company co-administrator** at **Human Adventure Impact**. ([www.humanadventure.ro](http://www.humanadventure.ro))

### OUTDOOR ACTIVITIES EXPERIENCE

- caving since 1992 and climbing and mountaineering since 1997;
- 1999, I won the first place, youth category, at “Alpiniada Banatului” a mountaineering contest;
- 2000, I organized and took part to a mountaineering expedition in **Caucasus Mountains**, Peak Elbrus (5640 m) and Bella Lakaya (3950 m);
- 2005, I organized and I took part to a mountaineering expedition in **Himalaya Mountains**, on Shishapangma (8024 m), where I reached 7700 m ([www.alternativeclimb.ro](http://www.alternativeclimb.ro)).
- 2006 – 2007, I organized and I took part to a mountaineering expedition in South America, where I’ve climbed **Aconcagua** (6992 m) and **Ojos del Salado** (6869 m)
- scuba diving since 2007
- 2005-2009 travelled independently in very remote areas / wilderness: islands, jungle, deserts, high plateaus.

**HOBBIES:** travelling, mountaineering, diving, photography, listening music, eating/tasting food
